Rental Housing Stabilization Program

Program Summary

The Vermont State Housing Authority (VSHA) Rental Housing Stabilization Program (RHSP) is for funding landlords on behalf of tenants in need of rental arrearage assistance due to COVID-19 to avert tenant eviction. This program will provide the VSHA Payment Standard or the actual amount due for the month(s) being claimed, whichever is less, per household at a single unit who meet eligibility criteria. The goal of this program is to prevent homelessness and to provide housing stability.

Eligibility:

Applications will be processed on a first come first served basis. Homeless families will be referred to the VT Agency of Human Services.

Landlords are eligible to receive grants on behalf of tenants if the tenant has rent arrears and the unit does not have serious life safety code violations.

Landlord can apply if tenant has not paid rent nor applied for an RHSP grant. The tenant will be notified of the landlord's application and given an opportunity to apply for a grant to preserve the tenancy. If tenant applies, landlord has option of receiving all months due, but must certify and be bound by all program requirements. If tenant fails to apply for a grant within ten working days, landlord will be entitled to receive partial payment of arrears ($\frac{1}{2}$ of past due rent) and will retain the right to evict or proceed with an eviction.

Tenants who are in unsustainable tenancies are eligible for rent arrears. These tenants will be encouraged to move to a sustainable unit and will be eligible for first and last months' rent and security deposit and where necessary rent payments through December 30, 2020.

Households receiving emergency housing benefits from the Department of Children and Families' General Assistance Program since March 1, 2020 may be awarded funds to be used for first and last months' rent and security deposit and where necessary rent payments through December 30, 2020. This group will be initially redirected to the Agency of Human Services (AHS) Office of Economic Opportunity for assistance. These applicants must be referred back to VSHA through Coordinated Entry if no other funds are available from AHS.

Incomplete applications will be held for 10 days while awaiting any additional or missing certifications and documentation
